All forms of sponsorship, whether part of an ongoing series or specifically for ARTIST's show, must be authorized by ARTIST Management in writing, and advised to ARTIST's Management at the time of signing this contract. - A9. In the event that the PRESENTER wishes to boost ticket sales for any reason, such as slow purchase by the public. In cases where the ARTIST is being paid on a percentage basis, PRESENTER further agrees to have on hand at the place of performance the night of the show, for counting and verification by representative of the ARTIST, all unsold tickets. ARTIST shall be compensated for the difference between the numbers of unsold tickets on hand and shown to its representative and the number of tickets printed as shown by the ticket manifest. If PRESENTER shall violate any of the preceding provisions of the paragraph, it shall be deemed that PRESENTER has sold a ticket for each seat in the house (and any permitted standing room) at the highest ticket price for which the house is scaled. PRESENTER further agrees to give said representative the right to enter the box office at any time (during and after the performance) and to examine and make extracts from the box-office records of PRESENTER relating to the gross receipts of this engagement. A written box-office statement, certified and signed by the PRESENTER will be furnished to ARTIST within thirty (30) minutes following each performance.
- A13. PRESENTER may not sell tickets to performance herein as part of a subscription or other type of series of other concerts, without written consent of ARTIST. Examples of such surcharges are: a.) parking charge. b.) maintenance surcharge. c.) restoration surcharge. All such surcharges shall be included at the time this contract is negotiated and, if they are not clearly indicated on the face of the contract when issued, it shall be the PRESENTER's sole responsibility to see that these charges and admission charges are clearly listed and differentiated on the face of the contract. If same is not already on the face of the Contract hereto, or if they are incorrect, then PRESENTER will clearly print the specific capacity, gross potential, and ticket price breakdown of the facility where ARTIST is to perform under this agreement on the face of the contract that this agreement is attached to. Fees, percentages and bonuses due to ARTIST have been negotiated based on ticket prices and potential grosses. Therefore, increases in the ticket prices originally negotiated and printed on the face of said contract may void this contract or necessitate renegotiations of remunerations due to ARTIST. In the event ARTIST is to receive a percentage of the gross receipts for this engagement pursuant to the terms hereof, the term "gross receipts" or "gross box office receipts" (GBOR) or similar phrases, shall mean all box office receipts computed on the basis of the full retail ticket price for all tickets sold and in no event less than the full retail ticket price for all persons entering the performance with no deductions of any kind, less only National or local admissions taxes and allowable discounts as approved by ARTIST in writing. Stagehands are to be made available from the ARTIST's time of arrival at the venue to the ARTIST's time of departure and load out of ARTIST's backline (if ARTIST is carrying backline). Should less than the sufficient stagehands be available at the designated load in time, and if, in the interests of expediency members of the ARTIST's personnel are required to load-in and/or set up the stage over and above their normal duties, then PRESENTER will be liable for and charged for the full hourly rate of said members of ARTIST's personnel.

CREW:

ARTIST travels with a FOH SOUND PERSON.

Additionally, PRESENTER will provide the following personnel:

1. THE PRESENTER or DESIGNATED HOUSE PERSON with full decision making powers to be present from load in until the completion of the performance unless otherwise advised by the Artist's manager.

E. LIGHTING REQUIRMENTS

ARTIST'S MANAGEMENT shall have exclusive control over the house lights throughout the show. All sound and lighting systems must be approved by ARTIST's Tour Manager in advance of the show date. ALL LIGHTING NEEDS TO BE APPROVED AT SOUND-CHECK.

- All lighting fixtures must be at least ten (10) metres above the stage height.
- All light must be directed away from the heads of the band, **NO DIRECT LIGHTING ON BAND MEMBERS HEADS FROM BEHIND OR FRONT.**
- **STEADY EVEN LIGHTING SHOULD BE USED.**
- A mixture of: lavenders, pinks, whites, reds, orange and PURE blue should be used.
- **NO GREEN, BLUE /GREEN, TURQUOISE GELS TO BE USED.**
- If a follow spot is used (and this is NOT a requirement), it should be used with discretion and not all the time. Maceo likes to be able to see the audience, and you may want to light the audience for some parts of the show.
- **NO SMOKE OR FOG MACHINES TO BE USED DURING SOUND-CHECK OR DURING THE SHOW FOR THE ARTIST OR FOR ANY ACTS PRECEDING THE ARTIST.**
 - Please note: Members of the band are allergic to chemicals and ARTIST shall NOT be able to perform if smoke is used. We are sure that you do not want this to happen.
- A lighting pole, for moving any offending lights must be provided to ARTIST MANAGER at sound-check for emergency use during the show.
- **NO BLACKOUTS are allowed** during the performance; the **stage must be lit at all times** including and especially in between songs. Maceo gives signals to the band during the entire show, they cannot see him if there are blackouts, therefore no black-outs or overly sudden changes of lighting.

Finally and very importantly, please run your lights during sound-check so we can check no one is going to be overheated during the show. Too often we find out the lights are too close or too hot too late... Please do not direct any lights at the back of anyone's head. If lighting rig is lower than two (2) metres, please do not use overhead lighting.

Please let us know if you feel unable to take direction from ARTIST MANAGEMENT during the show. We would rather know this ahead of time then struggle with this kind of problem during the show. Thanks!
